**Who You Going to Call?**  
**After-Hours Emergencies**

Life doesn't pause just because the management office is closed, and we know that sometimes emergencies can't wait for office hours (Monday-Friday, 9:00 AM-5:00 PM EST). That's why we have an emergency number just for those unexpected moments!

**HOA Emergency Number: 1-800-337-5850**

Please use this number in case of actual emergencies, such as water leaks, power outages, or serious medical incidents on Common Area property. We're here to help 24/7, ensuring your safety and peace of mind at any time of the day or night. Stay safe and feel free to reach out whenever you need us!

---

### **Trash Talk; Secure Those Trash Bins**

Garbage and food left outside can attract bears, so let's make sure we're not inviting our furry friends to visit. Please remember to keep our trash bins in our garages and only place them curbside on the day of collection (Tuesday and Friday) after dawn.

While being part of a community so close to nature is fantastic, it means we each have a responsibility to keep our neighborhood "Bear Safe."

Thank you for doing your part to protect our community and the wildlife we cherish!
