## **We're Open- Pardon the Mess!**

We hope everyone is making good progress in cleaning up and getting back to normal!

The HOA is happy to share some good news; the Pavilion, is fully reopened up and ready for you. Feel free to stop by for a swim, a swing on the playground, or a game of tennis!

Our maintenance provider, ABiSS, has done an outstanding job with pre-hurricane preparation and post hurricane restoration. Our landscape company, Yellowstone, has been hard at work since noon yesterday clearing debris from the common areas and roadways. The HOA has arranged for clean up efforts to continue through the weekend. We are also working with our vendors to inspect the lakes and drainage systems to ensure they are continuing to function correctly.
