Hurricane Milton Update

Hurricane Milton has strengthened to a Category 5 storm, but it is expected to weaken to a Category 3 before making landfall. Seminole County remains in its projected path and is currently under an active hurricane warning.

Milton has slowed slightly since Sunday and is now expected to make landfall Wednesday evening, passing through by Thursday morning. Alauca Lakes could begin experiencing tropical storm-force winds as early as Wednesday morning.

The HOA has activated our Site Response Plan, and storm preparations will impact the community and our amenities as follows:

Guard House

- Guards will leave the site when sustained winds reach 35 MPH, likely by Wednesday morning, and will return once the all-clear is given for Seminole County.

Gates

- Main entrance gate arms will be removed when winds reach 35 MPH.
- Enclave & Reserve gate arms will remain disengaged and open starting Tuesday afternoon.

Management Office

- The onsite office will close at 12:00 PM on Tuesday, 10/8, and reopen within two business hours after the all-clear is issued.

Pool & Tennis Courts

- Both will be secured and closed by Tuesday, 10/8 at 8:00 PM or earlier if sustained winds reach 35 MPH. Reopening will occur once we ensure the facilities are in proper working order.

In case of an emergency, please dial 911. For community-related concerns such as downed trees, call the Castle Emergency Line at 1-800-337-5850. Our vendors are on standby, ready to assist as soon as it is safe to do so.

Stay safe!
